

Angie Conlan
Senior Sales Coordinator
Jacksonville, Florida

Angie lives in beautiful Northeast Florida with her husband Tim and her 2 active boys, Caleb and Evan who are 7 and 4. (Evan is actually a Juice Plus+ baby!)

After graduating with honors from the University of Florida with a Bachelor of Arts in Education, Angie taught seven years in the Public School system teaching Middle School Science. She was voted Teacher of the Year twice by her peers and also received a Community Award called “You’ve Touched My Life”. As a former teacher, she saw first hand how children were eating and now as a stay at home mom wants to do something about it!

Angie chose to stay home after her first son was born and learned about Juice Plus+ while pregnant with her second (her second pregnancy was totally different than the first, thanks to Juice Plus+!). After getting on the product, she realized what an impact Juice Plus could make on others and how the business opportunity was one of a kind (she loves having her house cleaned once a week, thanks again Juice Plus+!).

Angie is grateful for the relationships she has made in this business and feels blessed to be part of such an amazing company.
