Tania Holzer Maneso: NMD 12 Club. Tania is married to Girma and they are the busy, proud parents of three little girls, Ha'Keena, Danamay and Tizita. All three of them are Juice Plus+ Kids, Ha'keena since infancy and Danamay and Tizita in utero. "Being able to put that kind of nutrition into my children's bodies everyday is of profound importance to me given the challenges to health in our modern world." Tania and Girma are both farm kids but one is from western Canada and the other from southern Ethiopia. "We think of our Juice Plus+ Franchise as a form of Agribusiness!"

Tania has been with NSA Canada since Christmas 2002. It was the best Christmas gift she has ever given herself, even though she didn't know it at the time. Her first career was in ministry for seven years as a Youth Minister and Parish Assistant, after which she went back to school to study Remedial and Advanced Massage Therapy. Tania worked ten years as a Registered Massage Therapist. Juice Plus+ is a perfect fit as she gets to continue her passion and mission to help people with personal growth, their health and their wealth. She also has the privilege of being part of a team and gets to offer other people the opportunity to design their own life and live a life of choice and freedom not solely limited by the need for 9-5. "When I first started to treat this business seriously it was only about my "WHY". Now it is also about my love of the business and the fulfillment I get from having found my life's work. It works hand in glove with the other and most important part of my life's work - my family."
